

## Enterprise Edition Version 2.0.3 Release Notes

### Introduction

This document outlines the changes in Enterprise Edition version 2.0.3 release. For the latest information about product updates, tips, and techniques, visit the Scholastic Education Product Support website at [www.scholastic.com/productsupport](http://www.scholastic.com/productsupport).

### Important Note Regarding v2.0.3 Programs

Version 2.0.3 updates must be installed over previous versions of the program's v2.0.x release.

### Updates

The following issues have been addressed in Enterprise Edition version 2.0.3 for four products.

#### **READ 180 Enterprise Edition v2.0.3**

- **Enrollment**

Students may no longer be simultaneously enrolled in both *READ 180* Next Generation and *READ 180* Enterprise Edition.

- **Student Data in Enrollment**

When upgrading from *READ 180* Enterprise Edition version 2.0.x to *READ 180* Next Generation, enrolling students in *READ 180* Next Generation also imports all student data as well. When upgrading from *READ 180* versions 1.9 or 1.10, enrolling students in *READ 180* Next Generation imports the following student data points: *READ 180* level, their Topics completed, their segments completed, and their product controls.

- **Student Diagnostic Report**

Reading Fluency Response Rate has been corrected in the Student Diagnostic Report.

- **Zone Menu**

The Success Zone button is appropriately displayed in the Zone Menu.

- **Login**

An error message is appropriately displayed when clicking **Go On** at login without entering a username or password.

- **Microphone Check**

Enhancements in version 2.0.3 to the microphone check ensure that recording volume is set at an appropriate level.
